The effective date of the Plan shall be the date of entry of an order confirming the Plan.

From the payments so received, the Trustee shall make disbursements, subject to the Trustee's fee. The disbursement schedule is dependent upon receipt of regular monthly Plan payments. Any increases to monthly mortgage or escrow payments without corresponding changes to the Plan payment may impact the disbursement schedule. The Trustee has the discretion to calculate the amount and timing of distributions as is administratively efficient.

A(2). Pre-Confirmation Adequate Protection Payments/Lease Payments.

The following pre-confirmation adequate protection payments on claims secured by personal property and pre-confirmation lease payments for leases of personal property shall be paid by the Trustee, subject to his full fees, to the creditors listed below. Except as provided by § 501(c), secured creditors must file a proof of claim to receive payment. Confirmation of the Plan shall impose an affirmative duty and legal obligation on the holders and/or servicers of mortgage claims to do all of the following, unless the case is dismissed or converted:

(a) Apply the post-petition conduit mortgage payments as post-petition monthly payments of principal and interest on the mortgage note, and, if applicable, as post-petition monthly payments of escrowed items such as insurance and/or real estate taxes. If such payments are placed into a suspense, forbearance or similar account, they will be deemed to have been applied pursuant to this subsection.
